

CONTRIBUTORY PENSION SCHEME – CLEARANCE OF MISSING CREDITS OVERVIEW OF EXISTING SYSTEM

In Earlier The Cps schedule details entered manually by the A.G's Office.

After Taken over by GDC, the Text File system has been introduced and it has been implemented statewide.

In the system, the error records are removed and It is uploaded as Part Want and Full want in online. All the online entries has been entered by DDO/TO/PAO and processed by GDC.

The existing system has some disadvantage of removing the error records and the user in Treasury Level has to input Lot of details and user doesn't know the errors occurred. To overcome this error, a new text uploading system has been tested.

CONTRIBUTORY PENSION SCHEME – CLEARANCE OF MISSING CREDITS OVERVIEW OF NEW SYSTEM

1) A new system has been created and tested to clear the schedule missing credits in treasury level, all the errors are short listed in four categories namely

- 1)Upload Error
- 2)Name Mismatch
- 3)Excess Payment
- 4)Ref Date Error

The above errors are identified and updated the correct data in this system.

2) A new system has been created and tested to clear the challan missing credits both in DDO level and in treasury level and named as **ONLINE CPS CHALLAN GENERATION FORM**. This process reduces the lot of data feeding work in Treasury level. In the existing system some of the DDOs are remitting the CPS challan without schedule details. But this system not allows to generate and remit the challan without individual details.
